

CURRICULUM VITAE

Curriculum Vitae

A highly motivated team worker at the start of her career. Developed her interest for marine life at young age, while snorkelling and diving in the Netherlands. After experiencing the beautiful blue Balinese waters this interest grew and the decision to focus on marine biology was made.

Personalia

Name	Dalderup, Tjitske Nans
Date of Birth	29 May 1996
Phone number	+31 (0) 640479240
E-mail	Tjitske.Dalderup@gmail.com
Sex	Female
Country	The Netherlands

Due to a broad interest, I did not stick to diving. Other sports like climbing, horsebackarchery, swimming and hiking came on my path. Expressing creativity is also important in my daily life. After learning myself to work with different Photoshop programmes and making short films, I consistently use these skills in academic presentations to visually explain ideas, results and conclusions.

During previous jobs I got complimented on working quick but still neat, precise and customer friendly.

Education

- | | |
